

NWPF 6th Annual Seattle Summer Seminar

Swedish Medical Center-Cherry Hill Campus
500 - 17th Avenue, Seattle, WA 98122
June 17-19, 2010
20 Continuing Education Contact Hours (2.0 CEU's)

Join us for some summer fun and one of the best scientific programs on the west coast!

This Seattle summer scientific meeting will precede graduation of the **Swedish Podiatric Surgical Residency Program** and will feature many of NWPF's best speakers and past graduates. We welcome all WALDO and NWPSR Alumni! You can plan to bring the entire family a day or two early or stay a little longer to enjoy the pristine Northwest landscape in

June.

- Learn a variety of up-to-date scientific topics from NWPF Faculty.
- Spend the afternoon visiting beautiful downtown Seattle or catch a Mariners game.

Scientific Objectives of this program:

1. To review the latest information on forefoot reconstruction
2. To better understand lower extremity musculoskeletal conditions
3. To be able to describe and treat common skin problems
4. To understand the most common complications of foot surg
